ERRATA NOTICE; LETTER 87-50

It has come to our attention that some counties are misinterpreting our letter of August 27, 1987 on GAIN grant diversion termination procedures.

For counties implementing the AFDC GAIN grant diversion program, when the recipient has been terminated from AFDC, do not report this applicant to MEDS under the AFDC cash aid code even though your internal AFDC system may show this code for two months after termination to ensure wage pool solvency.

If the individual or family is eligible for Medi-Cal under another aid code, report this change to MEDS as usual.

Sincerely,
